

## ***AMUERTE WHITE***

Belgium

soft

tropical botanicals

***It is a gin produced in Belgium but with coca leaves from Peru, to which other carefully selected botanicals are added***

precious essences: juniper, cardamom, coriander, Sichuan pepper, tamarillo, oranges, red pepper, papaya, South American dragon fruit, Peruvian physalis and finger lime

*a Gin from two continents, which is presented in the glass with a very interesting and surprising exotic taste*

We serve it with: Fever-Tree Premium Indian (GB)

Chilli, black pepper.
