

## ***HENDRICK'S MIDSUMMER SOLSTICE***

Scotland

soft

delicate botanicals

***is a charming and very floral Limited Release,  
inspired by the scents of a midsummer day and the  
pleasant intensity of floral essences***

with hints of wildflowers, roses, delicate spices and  
juniper

*with all the classic botanicals usually used to prepare  
Gin Hendrick's to which a selection of flowers is  
added that softens and makes the bouquet particularly  
fragrant*

We serve it with: 1724 tonic water (Chile)

Fresh cucumber, juniper berries, orange peel

**€ 11,00**
