

HENDRICK'S

Scotland

soft

unforgettable botanicals

"A name that arouses persuasive memories in every lover of gin, a distillate produced in small quantities, born from a double distillation, in grappa style."

Yarrow, Coriander, Juniper, Chamomile, Cumin seeds, Cubeb berries, Elderflower, Orange peel, Lemon peel, Angelica root, Iris root - and a final infusion of damask rose petals and cucumber.

"HENDRICK'S GIN IS SIMPLY UNUSUAL, NOT FOR EVERYONE"

We serve it with: Fever-Tree Premium Indian (GB)

Fresh cucumber, black peppercorns
